I pay today the sum of            € (euros) to « *Les amis de la Revue française de Socio-Economie* ». From abroad, you need an international bank transfer. See the details below to organize it. It is important to specify the name of your institution (*for example : University of Arizona / RFSE*) or for a private person your name / RFSE (*for example : Mr. Carpenter / RFSE*) when you use the international bank transfer for the payment. The entire payment must be made in a single transfer. The RFSE doesn't have to support banking interests that may burden the payment. We thank you for your understanding.
